

New Smoking Fetish Movies added at [Smoking Flicks](#)

We've added three classic CoherentLight videos at [Smoking Flicks](#) – the smoking fetish movie streaming and download site: “Two Sides of April” (which we think may be one of CoLight’s most underrated titles ever), “Cigars” (with some amazing performances), and “I Said Do It!” (a dark-side title with Amiko).

Come check them out at [Smoking Flicks](#)
