

1/3: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got nearly 500 new photos and 25 minutes of new video. In the photo galleries, Justina is new, smoking topless with terrific mouth and nose exhales as she plays with her breasts; busty blonde Laura-Jayne relaxes in lingerie and smokes with strong straightfoward style (mouth and some nose exhales).

The video galleries feature accomplished smoker Sara P.; she is outstanding in six separate shoots for us: among the best, she's a schoolgirl with an edge; she's in a bar, buying cigarettes from a machine as she smokes hands-free; and she's on a bed and on the couch smoking casually. Throughout, we're treated to terrific mouth and nose exhales, snaps, smoke rings, french inhales and dangles.
