

1/9: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 800 new photos and 16 minutes of new video. In the photo galleries, a great debut with Georgia, a model who loves the smoke deep in her lungs shows us her incredibly deep drags and double drags – plus her snap inhales (including “sweeper” snaps in one shoot), thick mouth exhales and nose exhales, dangles and french inhales. We also have a brief shoot with Jada-Marie.

In the video galleries, Justina has a few all-whites as she lightly touches herself – then drops her lingerie to play with herself. Throughout, she shows deep drags followed by very pretty mouth and nose exhales, along with her nice smiles.
