2/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 800 new photos and 26 minutes of new video. In the photo galleries, Jen C. returns for two scenes in cute dresses, once again with her slow mouth and mouth/nose exhales (some right-at-you), some rings and perfect french inhales; this time, though, she adds some nice recycled frenches to her repertoire. And Justina and Lindsay get extremely close, with smoke exchanges and smoky kisses, and lesbian smoke play.

In the video galleries, Elizabeth N. and Melissa N. star in a duo shoot: Elizabeth is red-hot in a black bra, short skirt and black gloves, smoking a VS 120 with nice style and a sultry look. Melissa, also in black, joins her and shares one cigarette; she then strips down to her bra and the two models share a second.

There are nice cone exhales, a few nose exhales and smoke rings, and slight snaps.
