2/16: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got nearly 1300 new photos and 22 minutes of new video. In the photo galleries, Sara P. starts as a redhead, and then moves on to more recent glamour shoots. Throughout, she shows off her incredible range of smoking talents from snaps to frenches, from rings to double drags.

And best friends Aymie and Jen C. are back, smoking corks with great style and having fun while they do it in the high-res galleries..

In the video galleries, Skye makes a smashing debut; in her first shoots, she sports a goth look, showing lots of thick cones, mouth/nose and nose exhales, open-mouth and snap inhales plus smoke play; she finishes with a shoot in bra and shorts. And then Laura-Jayne slowly takes off the boots, then her corset, so that she's just in lingerie – she shows deep drags, slow mouth and nose exhales, and dangles with double drags as well.
