

4/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 800 new photos and 22 minutes of new video. You've been asking for more of Georgia – and she's back in the photo galleries in a number of great scenes, showing her deep inhales, great snap inhales, mouth, nose and mouth/nose exhales, double drags and nice closeups. And we have an R/X teaser photo set from blonde Eve B., who will be with us next week in the video gallery for a terrific smoking and masturbation shoot;

In the video galleries, Sara P. returns in three terrific shoots, including reading in a short skirt, with great snap inhales and smoke rings, plus frenches, dangles, and strong mouth and mouth/nose exhales – and a glamour shoot with nice profile closeups and lots of double pumps.
