

New Smoking Fetish Movies added at [Smoking Flicks](#)

There are two new smoking fetish videos at [Smoking Flicks](#) – the smoking movie streaming and download site.

They are both IRL V2.0 compilation videos; they feature models like Shawna (with her golf-ball sized snap inhales) and Gigi Rivera (one of Charlie Sheen's teen porn-star ex-girlfriends). There are also several scenes with two models chatting about their younger-years smoking histories as they smoke together.

Come check them out at [Smoking Flicks](#)
