They do smoking solos, and get together again for sexy and sensual duos in lingerie, evening wear, casual outfits and costumes; every manner of accomplished smoking is on display, and you can tell these girls love to show it off. There again are incredibly sensual scenes featuring touching and smoke exchanges – nothing explicit, but it doesn't have to be.

Carol's fingers shake because the nicotine; The sound is clear and you'll hear the tremendous sound of Carol lungs inhaling. Eli does elegant and classy snaps.
