

1/23: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 1021 new photos and 13 minutes of smoking fetish video.

In the photo galleries, we have five nice shoots with Tiffany. They're mostly casual shoots, including one at the dressing table in perfect natural light and one in closeup and right-at-you. Throughout, we see great snaps, cone exhailes, and smoke rings plus some nose exhailes – great smoking shot perfectly. And sexy Charly shows us glamour and pinup looks in a high-res set; her retro look with thick lipstick and terrific dangles is sensational.

In the video gallery, Jaci shows strong smoking style with VS 120s as she plays with her body, strips naked, and brings herself to orgasm with a huge vibrator.
