2/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 586 new photos and 18 minutes of smoking fetish video.

In the photo galleries, newcomer Yaffa smokes while she dances; then, there are two dynamite glam sessions on the bed in lingerie. Yaffa shows a luxurious style, smoking 120s with beautiful mouth, nose and mouth exhales and natural snap inhales. There are great closeups as well. Then, in bras and jeans, Brigitte and Zoe A. hang out on the bed with some good talk about smoking, as they show a variety of styles including snaps and frenches, rings and double drags.

In the video gallery, Natalie P. shows her beautiful natural french/snap inhale, along with cone exhales, nose exhales and dangles in two shoots, one of them a makeup shoot and one in beautiful natural light. Then she plays pool with Laura A., smoking in sexy outfits. They play with their smoke and show off their tricks (Laura's open-mouth inhales and Natalie's natural french inhales, among others) and talk about smoking and cigarettes as they shoot.
