

New smoking fetish videos added at [Smoking Flicks](#)

Smoking Flicks – the smoking movie streaming and video download site. New at Smoking Flicks:

First, in a new Random Snaps/Smoke Signals archive video, there are some cool scenes with Mieke smoking while having her back rubbed; Aymie and Jen sharing cigarettes while hanging out (and then Aymie solo, smoking very sexily in lingerie); and Jenny J. and Karina J. both vamping and playing with their smoke.

Also, beautiful brunette Cipriana chain smokes while she relaxes in lingerie, drops her top and moves her bottoms aside so she can work her pussy to a satisfying finish. She inhales deeply and shows great, thick cone exhales throughout.
