

9/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 932 new photos and 20 minutes of smoking video.

In the photo galleries, cool and sexy Kim B. shines in two shoots, in bra and panties; we see her picture-perfect mouth/nose exhales, plus frenches and snaps, nose exhales, hands-free smoking – with great closeups and terrific eye contact with you. And in the R/X galleries, a topless Adarra smokes two at once as she plays with herself above and below, with huge drags and nice thick exhales plus some dangles.

In the video galleries, Georgia is smashing in a black teddy as she delivers another incredible performance: cheek-hollowing inhales, open-mouth and snap inhales, mouth and nose exhales, double drags, talking exhales and hands-free smoking. Her second shoot is at the makeup table doing her hair, but the smoking is just as terrific. And Leah L. and Loretta share a cork and have fun playing with their smoke; both show wafts/snaps/french inhales and double drags, while Loretta does lots of nose exhales and Leah shows off her smoke rings.
